

Overview & Services

WHO WE ARE

In logistics, follow-through matters. We deliver on every commitment.

FLI Transportation and Logistics was founded on a simple belief: freight management shouldn't be complicated — and it can be done better. As a third-party logistics provider, FLI delivers reliable, scalable freight solutions across the U.S. and internationally. Locally owned and headquartered in Overland Park, KS, we serve businesses of all sizes with a commitment to excellence.

WHY WE DO IT

At FLI, we know that the "little things" — like accurate invoicing and real-time tracking — aren't so little to you. That's why we treat them with the care they deserve. Our mission is to deliver a logistics experience that outperforms the rest. With FLI, you'll have a dedicated account manager who understands your business inside and out, ensuring you're supported every step of the way.

WHAT WE DO

FLI provides tailored freight management solutions across a range of services, including Less-than-Truckload (LTL), Full Truckload, International Shipping, and Specialized Transportation.

THE PERKS ARE ON US

SERIOUS VALUE, ZERO EXTRA COSTS

At FLI, we believe in delivering real value — not surprise fees. That's why we include essential services that others charge extra for, all as part of doing business with us. No matter your shipment volume, you'll benefit from:

A proactive, dedicated account management team that knows your business and keeps things moving

Powerful, web-based LTL TMS to compare rates, carriers, and transit times — plus create shipments, auto-generate BOLs, and track in real time

Custom KPI reporting that actually helps you make smarter decisions

Freight bill auditing and payment — we handle the details so you don't have to

Freight claim management to keep issues from becoming headaches

Special project support when you need extra logistics muscle

Peace of mind knowing every carrier we use meets strict safety and insurance standards

Why pay more for what should already be included? With FLI, you get more than a freight partner — **you get a competitive edge.**

DEDICATED ACCOUNT MANAGEMENT

YOUR SHIPPING, STREAMLINED.

Partnering with us means having a dedicated account management team that takes the time to understand the unique needs of your business. From day one, we work to ensure your daily shipping operations are handled quickly, accurately, and efficiently.

By providing a single point of contact, we create a streamlined communication channel where your account manager can anticipate your needs and proactively address any special situations that arise.

The result? Centralized, reliable freight management—and a simplified solution tailored specifically for you.

LTL SERVICES

COMPREHENSIVE SOLUTIONS TAILORED TO
YOUR NEEDS

Our Less Than Truckload (LTL) team functions as a true extension of your business, managing the entire shipping process from start to finish.

LTL SERVICES

COMPREHENSIVE SOLUTIONS
TAILORED TO YOUR NEEDS

Services offered:

- Standard
- Volume
- Expedited
- Guaranteed
- Local Cartage
- Offshore Domestic
- Special Project Management
- Specialized Services

Unlock Immediate Value

As a new customer, you'll gain instant access to our pre-negotiated FLI rates. But we don't stop there. Through a thorough freight review and analysis, we'll identify opportunities for cost savings and ensure you have the most competitive rates and reliable carrier partnerships in place.

Strategic Savings, Customized Support

We'll analyze your current freight activity to uncover efficiencies, then negotiate directly with carriers to secure the best rates and service levels available. Whether you prefer a hands-on approach or want to offload the day-to-day logistics, your dedicated account manager is here to support you—on your terms.

Ready to maximize your LTL savings?

Let's talk about how our flexible, client-first approach can streamline your freight operations and improve your bottom line.

WEB-BASED TMS

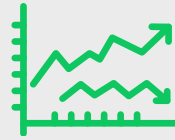

SPEED & EFFICIENCY AT YOUR FINGERTIPS.

Say goodbye to time-consuming rate shopping across countless carrier websites and phone calls. Our intuitive **Transportation Management System (TMS)** puts speed and efficiency at your fingertips—helping you **rate, schedule, and track** your LTL shipments from one centralized platform.

WEB-BASED TMS

SPEED & EFFICIENCY AT YOUR
FINGERTIPS

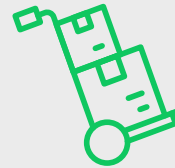

Shop Rates at the Speed of Light
with Our Easy-to-Use
Transportation Management System

Key Features:

Instant Carrier Comparisons

Quickly compare rates and transit times from multiple carriers for both inbound and outbound shipments.

Full Visibility & Control

Select the best carrier and service that fits your specific needs — no limitations, no pressure.

24/7/365 Access

Manage your freight anytime, anywhere with secure cloud-based access.

Custom User Permissions

Create single or multiple user IDs with customized permission levels to suit your team's workflow.

WEB-BASED TMS

SPEED & EFFICIENCY AT YOUR
FINGERTIPS

Shop Rates at the Speed of Light
with Our Easy-to-Use
Transportation Management System

Automation Made Simple

Save freight descriptions and addresses to eliminate repetitive manual entry.

Integration Documentation

Generate and print Bill of Lading (BOLs) and shipping labels directly from the system.

Real-Time Shipment Tracking

Stay informed with up-to-the-minute transit updates and access delivery receipts and signed BOLs with ease.

Flexible Integration

Seamlessly connect your TMS with other systems for tailored logistics solution.

Streamline your LTL shipping process and gain total control over your transportation needs—all from one simple platform.

TRUCKLOAD SERVICES

Tradeshow Logistics

SPECIALIZED SERVICES

EXPERTLY HANDLED PROJECTS.

High-Value Freight Protection

Is the value of your freight higher than the carrier's cargo liability limits?

Many shippers don't even know their carriers' policy limits. We offer full-value protection for your high-value shipments at a fraction of typical carrier charges.

- Our rates are on average **86% cheaper** than standard carrier insurance.
- Your account manager can provide a competitive rate and certificate of insurance within minutes.

Don't leave your valuable freight to chance—ask us how to protect your shipments today!

CUSTOM REPORTING

THAT DRIVES RESULTS.

Visibility isn't just about knowing where your freight is — it's about uncovering opportunities to save money, improve performance, and make smarter decisions.

CUSTOM REPORTING

THAT DRIVES RESULTS

From day one, we work with you to understand your KPIs, visibility goals, and reporting preferences. Then, we build custom reports that give you the insights you want, exactly when you need them.

Popular reports our customers love include:

Cost Savings Reports

See exactly where you're saving and how it adds up.

Daily Activity Snapshots

Real-time performance at your fingertips.

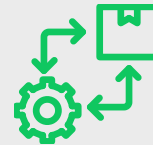

Weekly Summaries

Inbound, outbound, third-party, LTL vs. Truckload — all broken down for clarity.

Monthly, Quarterly & Annual Reviews

Big-picture performance with both company-wide and location-specific detail.

Carrier Compliance Insights

Are your teams choosing the most cost-effective carriers?
What's the impact on your bottom line?

Claims Reporting

Full visibility into issues and resolutions.
